Profile

I am a current 3rd year Architecture student
at University of Pretoria with the ambition to
go on and complete my honors and
masters.

I am a top achiever in the class of 2022
covering subjects such as Design,
Construction, History, Earth Studies,
Practice Management and more.
My principles are central to my personal
growth. My creativity, passion for
architecture and altruistic acts will set me
in good stead to become the professional I
strive to be.
